Joy of Giving Week

3 oct,2018

The Joy of Giving Week is a “festival of philanthropy” that aims to become a part of the Indian ethos, with the Week being celebrated every year covering Gandhi Jayanti by engaging people through “acts of giving” –money, time, resources and skills – spanning the corporate, NGO and government sectors, schools, colleges and the general public.

Team Zarurat celebrates Joy of Giving Week every year, this event involves activities for the needy students and fund is donated by the college students and faculty members. At the end of the week goodies are distributed to the needy students of rural area.

From the faculty members and the students there is huge contribution for this noble cause.

Voice of Unity

6 oct,2018

The event voice of unity (Vande Mataram) is a tribute to the martyr of Indian nation who died for the country. This year this event was held at Rajasthan college in Jaipur. Students and faculty members of Civil engg. Dept. took part with great enthusiasm.

More than 20,000 students of schools and colleges from around the city gathered to sing the national song in unison. The event witnessed performances from artists of Jaipur gharana, Jodhpur gharana and renowned singers from Mumbai.

Our patron Shree Amit Agarwal, who has also been chief convenor of this event for last 4 years, welcomed all the dignitaries, artists & audience. This years families of some of the martyrs from the land of Rajasthan were also honoured by the organising committee.

Faculty Message

Dear Reader,
Greetings to you !!

We warmly welcome you to JECRC.

Very few have fully realized the talent hidden in the soul of an engineering student. The effort of every engineering institute should be to unlock that treasure. JECRC is its excellent example where everyone in the staff strives indefatigably for this. This institution has been nurturing young minds of India for the last 19 years with the belief that “Engineering is the art of directing the great sources of power in nature for the benefit of society and convenience of human.”

We acknowledge that technical education demands high intelligence quotient, self-discipline, and diligence and JECRC is one of the best institution who provide this to students.

Mr. Akhil Maheshwari

JECRC is the Platform that admits deserving students from all communities in order to support the aspirations and ambitions of young people, particularly those from disadvantaged backgrounds, who wish to secure a better future. You have taken the first step in that direction – now it is up to you to continue your journey. Your education here will be complete only when you take full advantage of all the facilities we offer.

Take advantage of the multiple forums available to develop and enhance your personality. Department associations and clubs organize both intra and inter college events at formal and informal levels. Participation in co-curricular activities will help you acquire communication, organizational and leadership skills that will be crucial in advancing your career. Spend time after class exercising on the field or in the gym. JECRC has facilities for both indoor and outdoor sports and coaches students to compete sport and athletic events.

Happy reading !
