As we know that **Department of Applied Science** carries out various activities every year. This time also during this Pandemic it took an initiative to conduct activity which will help students to enhance their Communication Skills and Reasoning Ability.

For this, **Department of Applied Science** conducted the final round of an Educational activity on **Saturday 17- 07- 2021 JECRC CAT/MAT: An Online Test Series** for the first year students. There were 440 registrations through Google form cum Registration form. Another google form of MCQ's was generated for the first round, held on 20June,2021 to shortlist the final candidates. This MCQ included 50 MCQ questions (30 questions from Maths and Reasoning and remaining 20 Questions from English). 45 mins were provided to the students. Exceeding the allotted time disqualified them from this test. The shortlisted candidates were 171 in number. There was a whatsapp group which was updated for the event from time to time with reminders etc. The list was shared with students on group. The activity kick started at sharp 5:00pm providing the google form link and by 5:45p.m the links were closed by the co-ordinator. Same methodology was implemented for the final round which held on 17th July 2021, Saturday.
