## **RTU-Start Up Competition Guidelines**

As per order no. RTU/TEQIP-III/F.(56)/2017-18/1272-81 dated 25-04-2018 the Startup competitions shall be organized in selected affiliated technical institutes.

Following are the guidelines to conduct the Hackathon.

1. This Startup competition will be based on real life problems and the sources of problems are from industries and different organizations.
2. Startup competition will be a 2 days event and it is to be scheduled from 11 AM on first day and continued till 5 PM on second day.
3. The evaluation of the startup project developed by the students shall be done in three stages. Final result shall be declared by cumulative results of all three assessments. Third assessment will be a 3 minute live demo/presentation by the team.
4. The three stage evaluation shall be conducted by the panel of mentors/experts.
5. Evaluation criteria will include novelty of the idea, complexity, clarity and details in the prescribed format, feasibility, sustainability, scale of impact, user experience and potential for future work progression.
6. As per the direction/guidelines received from NPIU no seed money shall be provided to first three startups, however it was mentioned in the earlier order RTU/TEQIP-III/F.(56)/2017-18/1272-81/4794-803 dated 07/07/2018.
7. It is proposed to award the prize money of Rs. 1, 50,000 i.e. (75,000 (first)+50000 (second)+25000 (third) to the first three winners of Startup competition.
8. The prize money will be distributed among the team members equally. In case of tie in any three positions the prize money will be divided equally for each team.
9. Tender will be organized by the host institutes to emplane the vendors for the supply of food, tent age, sound and other services.
10. TA/DA and the honorarium to the mentors shall be paid according to TEQIP-III norms.
11. Initially there is no limit of participants in the competition but it can be limited by the available resources. There is no limits of teams per college/institute participation. Approx 100 teams with participation of nearly 500 students may be accommodated. Food and other arrangements will be managed according to the response of participation.
12. All team members should be from same college; no inter college team is allowed. Minimum number of team members will be 4 and maximum numbers of team members will be 6 per team.

13. After teams are shortlisted, each team will be assigned mentors from industry to guide them during the hackathon; they will augment the team.

14. This contest is only for the students of affiliated institutions of Rajasthan Technical University.
