

TOUR LINES

- The Program Chairs may plan only academic related tours as and when required with small groups attaching adequate or proportionate male and female faculty members.
- The Division Chair/Program Chair approving the Industrial Visit/Field Trip/Outbound Training etc., shall ensure and endorse that the faculty members attached to the tour submit an undertaking stating that the tour is arranged only for Industrial Visit connected to academics, and students will not be taken to **mountain areas, rivers, canals, beaches, water parks, reservoirs, forest areas etc.**; and, they are personally liable and answerable for any such untoward incident taking place during the tour.
- Places with potential hazards, such as political unrest, negligent security, disease outbreaks, threats of earthquake or frequent occurrence of Cyclone and flood, should be avoided.
- If the mode of transport is by bus, overnight travel is strictly not permitted. Any travel requiring more than 24 hours should not be by road (Preferable mode of Transport is Train).
- Faculty/staff arranged students' un-official tours shall be treated as violation of College Rules and the individuals organizing or arranging to organize such tours shall be subjected to appropriate disciplinary action.
- The capability of the participants to take part meaningfully in the activity must be taken into consideration when deciding the destination, itinerary and duration of the tour.
- The detailed tour schedule shall be submitted well in advance mentioning the date, time and place of departure and arrival, mode of travel (Bus/Train/Air/Ship/Other Modes), outstation accommodation arrangement details, list of important telephone numbers and addresses of the locations where the team is visiting including the phone-fax numbers of the hotel and local transport details.
- **If Travel by outside bus, FC copy of the bus should be produced with request form.**
- **Each study tour should maintain student faculty ratio of 15: 1.**

- **Lady faculty member should accompany girl students (It is applicable even if only one girl student is going for a trip)**
- The Accompanying faculties should submit the undertaking letter
- All students should get approval from their Proctor/Faculty Advisor and parents.
- The faculty members accompanying the group may be mix of multiple languages talented in order to manage tour affairs confidently and successfully.
- Faculty should authorize the complete schedule
- Club coordinator should accompany in case of representing any club
- List of students – with details (Male / female) to be submitted.
- At least one faculty member (either male or female) of the group needs to be fully acquainted with the touring stations so that they can guide and instruct students in an appropriate way accordingly to see that the students are not getting into any unforeseen incident or accident. Information relevant to the itinerary, such as the addresses and telephone numbers of the lodging places, location of the local police stations, hospitals, clinics or first-aid units as well as the emergency call numbers en route, should be collected. Such information should be given to the parents and the responsible person in the school before the trip for emergency needs.
- It is preferable to arrange two students (of same gender) or more to live in a room when allocating accommodation. This will facilitate provision of support to fellow members. Once the arrangement for accommodation is finalized, no student should be allowed to make any change without a proper reason so as to avoid causing confusion.
- No student shall be compelled to participate or to contribute money for any kind of tour just for the sake of fund management during the tour. In case of any such compulsion, the student(s) can report to the Safety Committee.
- The parents/guardians of the students (those who are participate in the tour) may be asked to submit an undertaking (by mail or fax or SMS) stating that the parent is permitting their ward to participate in the tour with their knowledge and at their own risk. Students if they are hostellers, they should get special leave approval from their respective Hostel authorities.

- Exit and Entry should be at JECRC (Faculty and Students joining the group from their hometowns and leaving to their hometowns after the tour is not permitted under any circumstances)
- Before leaving for Industrial Visit concerned faculty organizer shall arrange to procure adequate and proper FIRST AID KIT if necessary. The faculty members shall accompany the students throughout the tour/trip and shall stay along with the students.
- No faculty member attached to the tour shall alternate or replace other faculty/staff member on his/her behalf without prior proper approval of the Director.
- It is advisable that at least one of the faculty or participants should know first aid.
- Students should be reminded of the need to follow the Faculty instructions and observe all the safety regulations throughout the trip.
- After checking in a local hotel, the students should first find out where the "fire escape" is. They should also acquaint themselves with the exit direction, the escape route and the place of assembly in case of emergency.
- Faculty accompanying should pay attention to the weather forecasts and news broadcasts of the place of visit. If there is any change in weather or other conditions, a contingency plan should be worked out as soon as possible.
- The faculty should have full knowledge of the health condition of each participant in order to determine whether specific participant(s) should not be allowed to take part in the activities of the day. He/she should take timely and appropriate action having regard to the circumstances of individual cases.
- The faculty should also arrange for any sick member to see the doctor immediately and to take effective preventive measures according to the doctor's advice. If necessary, the faculty should inform the parents and the school regarding the students' health conditions as soon as possible.
- The faculty should bring along with him/her the necessary safety equipment for the tour, for example, a first aid box, communications equipment (mobile phones), torches, etc.
- The faculty should monitor the speed of the vehicle (bus) in which they are traveling to ensure it is within safety limits. He/she should remind the driver or

the reception personnel of the importance of road safety when necessary.

- After returning from the tour, the concerned faculty team shall submit a **INDUSTRIAL TOUR REPORT** to the BHRAMANN Team.

Jaipur- Mumbai -lonavala With AdlabsImagica Water Park

- **Duration** 5Nights / 6Days
- **Destination:** Mumbai –Imagica Water Park-Lonavala
- **Cost Per head** 7800/- Per Student
- **Cost Per Head** 8000/- (If Required 2*2 Bus)

Day 1 Jaipur–Mumbai

Arrive at Jaipur Railway Station At 1 PM, Board In Train at (2 Pm JpBct Sup.) & O/n Journey for Mumbai (Dinner)

Day2 Mumbai –Imagica Water Park-Lonavala

Arrive Mumbai railway station 7.30 Am, Board in bus & Proceed AdlabsImagica Water Park Enjoy here world famous water rides till evening after this proceed for Lonavala check inn hotel after dinner o/n stay at hotel (Breakfast/Lunch/Dinner)

Day3.Lonavala

Morning after breakfast & lunch enjoy sightseeing of lonavala like –Tiger leap , Bushy dam, lonavala lake , Curla caves, Sunset point etc evening back to hotel enjoy Dj party after dinner o/n stay at hotel. (Breakfast/Lunch/Dinner)

Day 4Lonavala- Mumbai

Morning after breakfast check out from hotel & proceed for Mumbai on arrival check in hotel after lunch enjoy sightseeing of Mumbai like- Gateway of India, Nariman Point, Mahalaxmi Temple, Hazi Ali, JuhuChaupati etc evening back to hotel after dinner o/n stay at hotel.(Breakfast/Lunch/Dinner)

Day 5 Mumbai -Jaipur

Morning after breakfast checkout from hotel & proceed for Industrial visit after this proceed for Mumbai Railway station board in train (6.50 Pm MmctJp SupExp) & o/n journey for Jaipur.(Breakfast/Lunch/Dinner)

Day 6Jaipur

Reach Jaipur Railway Station at 12.45 Pm. (Breakfast)

TOUR END WITH HAPPY MEMORIES

Industry Any 1-2 (According to Subject & Matter of Permission.)

- Navbharat Electrical Industry
- Excel Electric Industries
- Lumina Electrical Industries PVT.LTD
- Bushy Dam
- Worli Sea link.
- STPI
- C-Dacor Similar

Inclusion

1. Accommodation at 4 sharing In 3 star
2. Transport 3*2(Non AC)
3. All major Sightseeing
4. Return train tickets (sl class)
5. Entry ticket of Imagica water park
6. 1 Dj Party
7. Mineral water 1 bottle per day
8. Train meal
9. Morning Tea- Coffee
10. Travel Insurance till 1 lakh
11. Buffet Breakfast, lunch & dinner at hotel
12. First Aid Kit
13. All monument Entry
14. Teacher comp 15:1
15. Toll Tax, Parking ,Driver Allowance

Exclusion

1. 5 % Gst
2. Any porter charges
3. Any personal nature expenditure
4. Anything not mentioned under cost included items
5. Any uses in the hotel like telephone, laundry personal order etc.
6. Any damage/destroy in the hotel room by clients, will be directly chargeable to clients
7. Horse riding / Water Sports

Payment terms:

1. 50% of the complete package amount (pertaining to the minimum guarantee of student count) at the time of booking of the package;
2. 40% of the rest amount to be paid 15 days before the date of departure
3. 10% of the rest amount to be paid within 7 days of completion of tour.

Cancellation Charges/Policy:

1. Cancellation before 15 days before departure date a cancellation charge of 25% of the total tour package amount.
2. Cancellation before 3 days and up to 15 days before departure date a cancellation charge of 50% of the total package amount.
3. No show or cancellation up to 3 days before departure date a cancellation charge of 100% of the total package amount.

TERMS AND CONDITIONS:

1. Rates mentioned in this contract are applicable only for this Conference/Leisure Trip/Offsite/Training Program/Event to be held on the date mentioned in this proposal.
2. Early check-in and late check-out will be charged additionally as per subject to the hotel policies.
3. If there be any reduction in the minimum guaranteed number of pax, Travel12go. Travel12go will charge on the minimum guaranteed number of pax as per the contract and if the number of pax increases, then the billing will be done on the actual number of pax.
4. We would require the signed copy of the contract along with advance payment on the day of signing this contact.
5. We would require the request for additional services if there any, in writing before 10 days from the departure date of Conference/Leisure Trip/Offsite/Training Program/Event and it will be charged extra.
6. All Government policies/regulations prevalent during the time of signing the contract will apply. Travel12go will not be held responsible for any subsequent changes in the government policies, rules and/or regulations. Although no effort will be spared to provide the requested services, travel12go only as agent for Transportation Companies, Hotels, Car operators, Raft operators, DJs,
7. Travel12go reserves the right without being liable for any loss or damage, to change the itinerary with or without notice and at its sole discretion, if found to be in the best interest of all concerned.

Department of Electrical Engineering

NOTE SHEET

From: HoD EE

To: Principal JECRC Jaipur

Noting Reference No: JECRC/EE/2018-19/odd/28

Date:20-09-2018

The Department of Electrical Engineering is organizing a five day Industrial Tour at Mumbai during the first week of October 2018. This Industrial tour is organizing for the students of 2nd and 3rd year Electrical Engineering branch.

This is for your kind information to give the permission for industrial tour.

Faculty Coordinator

Shailendra Shrivastava

(Assistant Professor)

BARC, Mumbai.

SUB: Permission for Industrial Visit – B.Tech Students

Sir/Madam,

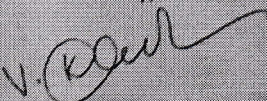

As you may be aware, Jaipur Engineering College & Research Centre, Jaipur is one of the most reputed engineering institutions in Rajasthan and known for its excellent record in academics and co-curricular activities. The college offers bachelors degree course in ECE, EE, CSE, IT, ME and Civil branches. The state-of-art facilities and competent faculty provide an excellent climate for the all-round development of students.

As a part of the curriculum, the students are required to undertake industrial visits to few industries of repute. It will be fruitful for the students with academic background to have a glimpse of the industry in order to have a better knowledge of practical applications of theory. In the above background we would like to send a batch of about 56 students of Electrical Engineering and Computer science Engineering Branch of 2nd and 3rd year accompanied by 5 faculty members to visit your esteemed industry preferably on 15th October 2018.

We kindly request you to accord the necessary permission for the above visit and arrange for guiding the students. We assure you that our students will follow the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit. We shall be grateful for a favorable response.

Thanking You,

Yours faithfully,

Dr. V.K. Chandna
Principal

JAIPUR ENGINEERING COLLEGE
AND RESEARCH CENTRE

Ref: JECRC/2018-19/103

Date: 02/10/18

To

The Associate Director
BTDG
BARC, Mumbai.

SUB: Permission for Industrial Visit – B.Tech Students

Sir/Madam,

As you may be aware, Jaipur Engineering College & Research Centre, Jaipur is one of the most reputed engineering institutions in Rajasthan and known for its excellent record in academics and co-curricular activities. The college offers bachelors degree course in ECE, EE, CSE, IT, ME and Civil branches. The state-of-art facilities and competent faculty provide an excellent climate for the all-round development of students.

As a part of the curriculum, the students are required to undertake industrial visits to few industries of repute. It will be fruitful for the students with academic background to have a glimpse of the industry in order to have a better knowledge of practical applications of theory. In the above background we would like to send a batch of about 56 students of Electrical Engineering and Computer science Engineering Branch of 2nd and 3rd year accompanied by 5 faculty members to visit your esteemed industry preferably on 15th October 2018.

We kindly request you to accord the necessary permission for the above visit and arrange for guiding the students. We assure you that our students will follow the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit. We shall be grateful for a favorable response.

Thanking You,

Yours faithfully,

Dr. V.K. Chandna
Principal

Day 6 (17.10.2018)

Reached Jaipur-Junction at 12:55 P.M.

INDUSTRY VISITS

1. BHABHA ATOMIC RESEARCH CENTRE

Address: Electron Beam Centre, Raintree Marg, Sector 7, CBD Belapur, Navi Mumbai, Maharashtra 410210

Overview:

The **Bhabha Atomic Research Centre (BARC)** is India's premier nuclear research facility headquarter in Trombay, Mumbai, Maharashtra. BARC is a multi-disciplinary research centre with extensive infrastructure for advanced research and development covering the entire spectrum of nuclear science, engineering and related areas.

BARC's core mandate is to sustain peaceful applications of nuclear energy, primarily for power generation. It manages all facts of nuclear power generation, from theoretical design of reactors to, computerised modelling and simulation, risk analysis, development and testing of new reactor fuel materials, etc. It also conducts research in spent fuel processing, and safe disposal of nuclear waste. Its other research focus areas are applications for isotopes in industries, medicine, agriculture, etc. BARC operates a number of research reactors across the country.

The JECRC, students are visited the Electron Beam Centre, Raintree Marg, Sector 7, CBD Belapur, Navi Mumbai, Maharashtra 410210. The students attend the seminar first and then visit the research centre under the guidance of Mr. R. Israel Bakhtsinghscitefic Officer - Head DC Accelerator section APPD BARC. The students are physically seen the designing of HVDC generator of 3 MeV and 10 MeV. The main application of this generator for water treatment of Ganga River cleaning project.

DEPARTURE FOR INDUSTRIAL VISIT

ENJOYING AT BUS

We are pleased to share that JECRC Campus successfully organized a Industrial Visit from 12.10.2018 to 17 10.2018. It was an efficient team effort which resulted into a great success. All the students are highly motivated and enthusiastic for Industrial Visit.

This successful Industrial Visit was organized because of the inspiration and motivation of honorable Directors Sh.Amit Agrawal Sir and Sh. Arpit Agrawal Sir. We are very grateful to Dr. V. K. Chandna Sir, Principal, JECRC, Jaipur for guiding us as a light and motivated as a positive leader.

We are thankful to all the dedicated faculty and staff members, devoted team of hardworking students of the institute. We will keep trying our best with the kind cooperation of all of you. Again, our thanks to all involved for their support and participation.

BARC is a multi-disciplinary research centre with extensive infrastructure for advanced research and development covering the entire spectrum of nuclear science, engineering and related areas.

BARC's core mandate is to sustain peaceful applications of nuclear energy, primarily for power generation. It manages all facts of nuclear power generation, from theoretical design of reactors to, computerised modelling and simulation, risk analysis, development and testing of new reactor fuel materials, etc. It also conducts research in spent fuel processing, and safe disposal of nuclear waste. Its other research focus areas are applications for isotopes in industries, medicine, agriculture, etc. BARC operates a number of research reactors across the country.

Electron Beam Centre (EBC):

Electron Beam Centre, being established at Kharghar, Navi Mumbai, will house two electron accelerators namely a 3 MeV/30 kW and a 10 MeV/10 kW. At present the accelerator components are being assembled & tested at EBC. At present the accelerator components are being assembled & tested at EBC.

A view of the Electron Beam Centre (EBC) Building

Electron Beam Accelerators

Development of technology and its translation into the setting up of Electron Beam Accelerators are entrusted with APPD. Depending upon the applications, beams of different power and energy are required. Curing of adhesives and paint coatings, radiation induced polymerization and increased cross linking to improve the thermal and mechanical properties of materials, sterilization of medical products, improved colour and acceptability of gems and stones, food preservation etc are some of the newly emerging applications of EB accelerators.

10MeV, 10kW, RF Linac

It is a coupled cavity linac, capable of giving 10 MeV beam with a power of 10 kW. The 50 keV electron beam from the gun is accelerated to 10 MeV in the linac cavity having a length of about 1 m. After the energy analysis, the beam is passed to the scan horn through the sweep scanner.

A 3D view of the 10 MeV, 10 kW RF Electron Accelerator Electron Gun for 10 MeV Linac

3MeV, 30kW, DC Accelerator

This accelerator is designed to deliver 30 kW of beam at an energy of 3 MeV. The 5 keV beam from the electron gun is accelerated to 3 MeV in the acceleration tube. The beam, after passing through the scan magnet chamber is let out in the air through the scan horn and is used for processing of the materials. The 45 kW, 120 kHz, 300 kV Oscillator, is being

designed and built for the first time in the country. The corona guard, RF electrodes and HV dome which will handle such large power, are being developed for the first time. Since these products require a good amount of sophistication and do not fall in the conventional manufacture line, the Indian industry had to be educated about each and every aspect of these accelerators. They had to go through a lot of jigs & fixtures and experimentation to acquire the require degree of confidence. At present almost all its subsystems are in the advanced stage of fabrication.

Dear Sir/Mam,

According to plan of industrial visit from 12/10/18 to 17/10/18, we visited Lonavala, Imagica and Mumbai with 56 students (45 from EE & 11 from CSE).

Overall trip was awesome, all students are happy but in every plan there is some Pro's and Con's.

Pro's:

1. Hotel & Resort facility was very good.
2. Menu & food quality in hotels also good.
2. All destination was covered according to plan.
3. Behavior of tour guide with faculty members and students was very good.

Con's:

1. Breakfast on 13th October & Lunch on 16th October was not up to the mark, which was planned in packed food.
2. When we reach lonavala, hotel rooms was not free, students waited around 30-45 minutes for room allotment.

Regards

Anoop Mehta
