JECRC Campus, Shri Ram Ki Nangal, Via-Vatika, Jaipur

Best Practice (s) / Innovations of the Department:

- Mentoring for students is a good initiative.
- Recording of experiments of various laboratories.

Future of the Department:

- The department is working in all dimensions e.g. in Students' continuous development through a well-defined syllabus, utilizing various delivery modes for teaching, proper evaluation and continuous improvement through various mechanisms and also in the field of Faculty development.
- There is a continuous improvement in the performance of department in terms of University Results, Student-Placements, Knowledge Impart, Industrial Interactions, Socio-cultural Involvement and Research in terms of papers and product development.
- As a mature department, there is a need now to inculcate some novel approaches that are a part of established institutions e.g. Student and Faculty-Exchange Programs, State of Art Lab development, Health-Club, regular Alumni Meets, etc. to keep the students/faculty updated with latest technological developments and to cater the needs of Industry.
